she/her

what do you do?

"i currently plays turntables in two bands called dooley and milkdog. i draw cartoons and comics for my friends and i. i probably smoke weed almost everyday. i finished recording my parts for the rock band dooley, we have a song about kibby. i sing an apple car song."

why do you draw cartoons?

"when i was in the 4th grade i used to pause recordings of cartoons at home and did freehand drawings of the frames. other kids would see my drawings and accuse me of tracing. that smugness never left me so i continued to draw cartoons to this day. it brings me joy. its a reflection of the self if it was in a funhouse mirror."

Thank you dearest reader for reading thru my funny comics. I cannot wait to make more for you to read and love in the future.

It truly makes me happy doing this and knowing that I have people who really like my comics. Your kind words always bring some light into my world.

Currently I am working on a long form comic about wheels and a cartoon with my friend about me.

Anyways if you enjoyed these comics share them with your friends, especially the ones who smoke weed they would get it, probably.

With love,
Julia

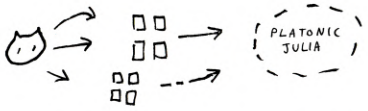
READING GUIDE

JULIA'S 'JULIA' COMICS, INSPIRATION FOR HIT TV SHOW 'JULIA,' REQUIRE DEEP READING. THEY ARE BEST APPROACHED AS A GESTALT EXERCISE WHEREBY EACH COMIC FORMS A RAY OF LIGHT WHICH ILLUMINATES THE PLATONIC JULIA.



MY CHRISTMAS PRESENT TO MYSELF* THIS YEAR WAS TO ADAPT JULIA'S JULIA COMICS INTO AN ANIMATION. IT WAS A CHRISTMAS MIRACLE.

THESE ARE DRAWINGS FROM THE ANIMATION THAT ARE LIKE PARTIALLY TRACED FROM JULIA'S JULIA DRAWINGS. I WAS ALLOWED TO DO THIS
